RE: Upgrade fire alarm system.

Fire Suppression Services submits this quote to upgrade fire alarm system at the location referenced above.

**SCOPE OF WORK:**

1. Submit drawings to AHJ for approval.
2. Install no more than six (6) horn strobes.
3. Conduct final approval testing with AHJ.
4. Return systems to service.

**TOTAL FOR ALL:**

**\$ 1,715.59**

Initial: \_\_\_\_\_

**EXCLUSIONS:**

- A. **We cannot be responsible for repair of sheetrock or other materials if they need to be cut open or removed to repair piping. This is to be done by others.**
- B. **This proposal is for a tenant remodel, pricing reflects modifying an existing fire sprinkler system.**
- C. **Pricing does not reflect changing out alarm panel or adding boosters to support new horn strobes.**
- D. **Cost for scissor lift rental is not included in pricing; if one needs to be rented an additional cost of \$ 350.00 will be charged for rental.**

**TERMS:**

- A. Labor was calculated at regular day rate and will be performed during regular business hours (8am-5pm).
- B. This quote is good for only 45 days after the date at the top of the quote. Call to verify quote after 45 days.
- C. See FSSI Terms and Conditions.

Fire Suppression Services carries a \$5,000,000.00 liability insurance policy, is licensed with the State of Utah and has over 40 years experience in the fire protection industry.

All work will be performed in a workman-like manner, comply with current NFPA Standards, manufacturers' specifications and all state and local codes.

Thank you for your consideration of this quote, and the opportunity to serve you. If we can further assist with this or any of your other fire protection and safety needs, please call.

Cordially;

**Heath Dangerfield**

Estimator / Project Manager

**Acceptance of quotation** – The prices, terms and conditions are satisfactory and are hereby accepted. You are authorized to proceed with this project as specified.
