Hi Arun,

Attached please find the documentation you requested for the Fire Inspection for Heritage Gardens of Springville.

Ted spoke to you this morning about the permission you need to speak on our behalf, mine and Ted Woodger's; that is perfectly fine.

The documentation is all in one attachment at includes the following:

- Springville Notice of Ordinance Violation
- Springville City Citation (unsigned by me)
- Commercial Building Permit Process
- Springville City 2nd STOP WORK ORDER (1st stop order was in January)
- Building Permit Application
- A! Roofing Proposal
- CKR Engineers
- Temporary Fire Clearance for Heritage Gardens
- Fire Sprinkler Inspection Report (KIMCO)
- StateFire DC Specialist Letter (July 1)

StateFire DC Specialist WORK ORDER

Thank you for your assistance to this matter. If you have any other questions, please feel free to contact me (801) 455-2228 or Ted (801) 891-2259.

Respectfully,

Rebecca D. Vom Dorp
