LICENSED CONTRACTOR DECLARATION

All work shall be performed by contractors licensed under the Construction Traded Licensing Act (58-55 UCA) whose licenses are in full force and effect.

This permit shall become null and void if work is not commenced within 180 days, or if work is suspended or abandoned for a period of 180 days or more at any time after the work has commenced.

Commencement or continuation of work shall be verified only by inspection reports from Salt Lake County inspectors. All Required inspections shall be requested at least one working day before they are to be made. Inspections are required before any work is covered. Please call if you need any further information about when an inspection is required.

All provisions of Laws and ordinance governing this type of work shall be complied with whatever specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provision of any other state or local law regulating construction or the performance of construction.

Decisions relative to this application are subject to review by the chief building official of the municipal or county entity issuing the building permit and appeal under the codes as adopted by the Legislature.
